EXPERIENCE

Teacher |

2022/10/5 – 2022/12/26

Teaching students Lets go system in my private English course at home.

SKILLS

- Very organized in planning.
- Interest in studying improvement books.
- Good researcher for new methods of studying and improvement.
- Like to know and understand about famous creators.
- Trying to help others even if it will take my time.

ACTIVITIES

Beside going to school every day I am attending and participating my English and Web development institutes for better performance of my education in the future to achieve my goals which I have planned. I personally schedule my activities monthly base and I am review and monitor them all weekly base to know how I am going to the planed targets.
